#### **Prayer 1**

This Lent course in Christian spirituality is intended as an introduction to some of the themes found in living the Christian spiritual life. Some of these themes might make us feel uncomfortable. For example, the theme of **obedience**. Our desire to be in control of every aspect of our own lives is often considered normal and good in today's world. Yet, for those who have taken their pursuit of God seriously, it is clear that a willingness to be obedient to God is a necessary attitude if we are going to make progress on that journey. Jesus, himself, says that this is necessary (Luke 11 : 28, John 14 : 23) and makes it clear that he chose to live a life of obedience to his Father's will (John 8 : 55).
